The Friends of Hemlock Bluffs

Volume 9, Issue 3

October, 2008

President's Message:

Dear Friends,

Even though summer was quite warm, fall was preceded by some very cool days. Fall always brings to mind football, State Fair, and of course the **Friends of Hemlock Bluffs Membership Dinner plus the annual "Recycle" Yard Sale!** Invitations to the **Membership Dinner** should have arrived and I know all of you are making plans to attend for some great food and fellowship, learn about all the things happening at Hemlock Bluffs, and have some fun! See you on October 5th at 6 pm.

Of course another premier fall event is our annual **"Recycle" Yard Sale.** I know all of you plus friends, neighbors, and your relatives have begun your "fall clean-up" and have started putting things aside to donate to our main fundraiser this year. The drop off days for donated items are: Thursday, October 23rd & Friday, October 24th 10:00-6:00

pm.

The sale is on Saturday, October 25th 8:00-1:00 pm. Also consider donating some of your time (even a couple of hours) on the drop off days to help get everything organized. If you would like to help with the yard sale, please contact Christina Sorensen at: cicadapaack@hotmail.com Remember that the monies made from the sale enable the Friends to support programs and projects of the Stevens Nature Center at Hemlock Bluffs Nature Preserve.

Finally, we have some FOHB Board vacancies—secretary, newsletter editor, and treasurer. We welcome any interested members to apply. Contact Tullie if you would like to help at: Tullie.johnson@nemail.net

My best,

Tullie

Things to remember:

October also brings time to share with friends at the Annual Meeting in the courtyard of the Nature Center;
